

We need your help! Please support our strategy to better engage our EMHS employees and dependents on the Health Plan by always referring to it as the **EMHS Employee Health Plan**. Beacon Health is administering the Plan and Evolent is processing our claims. However, to build better understanding around being a self-funded plan and encourage a stronger partnership in health we are asking for your support. Please call the plan by its name, **EMHS Employee Health Plan** when talking / working with any Plan members. **Thank you...**
